NO VEIN/NO PAIN

The fact is, you can get rid of unsightly, painful varicose veins... without surgery and without downtime!

The Vein Group at Radiology Associates of Hartford offers two fast and easy outpatient treatments to permanently remove varicose and spider veins.

What: FREE Vein Consultation by an Interventional Radiologist

When: Thursday, March 28, 5 p.m. - 9 p.m.

Where: 35 Nod Road, Suite 101, Avon

Learn about treating your varicose and spider veins with a minimally invasive treatment. Our vein treatment physicians are board-certified interventional radiologists and among the most experienced in Connecticut. What's more, our helpful staff will provide assistance with insurance, or special financing if needed.

To make your reservation, please call (860) 714-2724.
