

The **ULTIMATE** Women's Screening Event

Saturday, February 27, 8am – 2pm
Everyone knows that preventive health screenings can save lives.

By catching problems like heart disease and cancer before symptoms appear, you benefit from more treatment options and a greater likelihood of treatment success.

However...life can get busy. Scheduling and finding the time for multiple health screenings can be a challenge.

The good news is, now you can have ALL of your important health screenings on one convenient day!

Join us for RAH's ULTIMATE Screening Event and you can have one (or all) of your proactive health screenings in just one visit!

- **3D Mammogram** – For the early detection of breast cancer
- **Screening Breast Ultrasound**—A supplemental test for high risk and dense-breasted women
- **CT Calcium Score**—For the early detection of heart disease
- **Low-Dose Lung Screening**—Ideal for current/former smokers and those who have job-related risk for lung disease

WHEN:
Saturday, February 27th
8:00am - 2:00pm

WHERE:
RAH Bloomfield
673 Cottage Grove Road

Don't miss out on this opportunity to get a clear picture of your health! Call **860-969-6400** to schedule your health screenings!

Please note a doctor's order is required for all studies except screening mammography.
