Health Event*

**This isn't your garden variety screening event.  
Er—well, maybe it is.**

Have you been putting off your mammogram? Do you have dense breasts and need a supplemental breast ultrasound screening? Maybe you've wanted a bone density test to screen for osteoporosis? Well, bring a friend and make a fun day of it at RAH's Spring Women's Health Event!

**Tap into your blossoming creativity  
and build your own bouquet!**

What's more fun than a FREE flower bar? We'll have fresh cut flowers and mason jars from which to build your perfect arrangement.

**Good for your body. Good for your soul.**

**Thursday, May 12th
