

A sweet little sandwich

The macaron is said to have been introduced in France, by the Italian chef of queen Catherine de Medici, during the Renaissance. It is a ganache, buttercream or jam filled sandwich between two of the same cookies.

On Monday, October 31, we invite you to join us for a delicious assortment of pink macarons during our “Pink Party” on the last day of breast cancer awareness month. And while we’re on the subject of “sandwich,” you’ll benefit by having your annual mammogram during your visit.

Radiology Associates of Hartford wants all women to get their annual mammograms... because it’s the best way to achieve early detection, which is so vital to beating breast cancer.

So please join us... and don't forget to bring your friends!

WHAT: Mammogram Pink Party
WHEN: Monday, October 31
TIME: 8:30am – 5:00pm
WHERE: RAH – Rocky Hill
 476 Cromwell Avenue • Rocky Hill, CT

To book your mammogram during our Pink Party please call (860) 969-6400 or visit bookmymammo.com.
