

# *Please join us at our Spring Women's Health Event*

**This isn't your garden variety screening event.  
Er—well, maybe it is.**

Have you been putting off your mammogram? Do you have dense breasts and need a supplemental breast ultrasound screening? Maybe you've wanted a bone density test to screen for osteoporosis? Well, bring a friend and make a fun day of it at RAH's Women's Health Event!

**Tap into your blossoming creativity  
and build your own bouquet!**

What's more fun than a FREE flower bar? We'll have fresh cut flowers and mason jars from which to build your perfect arrangement.

**Good for your body. Good for your soul.**

Wednesday, May 3rd  
Women's Health Event (with Flower Bar)  
RAH Rocky Hill • 476 Cromwell Avenue  
8:30am-5pm  
Available screenings: 3D Mammography,  
Bone Density, Breast Ultrasound

**Schedule online at [bookmymammo.com](http://bookmymammo.com) or  
call (860) 969-6400.**
